

# Presenting the Revelation SCOREBOARD PACKAGE...

The **SCOREBOARD PACKAGE** is a collaboration of Revelation Partners to bring your school the most versatile, user-friendly, digital sports scoreboard that can pay for itself!

## HERE'S HOW IT WORKS...

Revelation meets with your school representatives to plan out the perfect-fit scoreboard.

Revelation helps your school acquire financing (if needed) through our local bank partners.

Revelation acquires the LED Wall Panels to match your needs and budget from our partners at Theatrixx.

Revelation works with Ready 2 Run Graphics to build a custom sign with team logos.

Revelation contracts the electrician, rigger, and inspector to do the completed install.

Your **SCOREBOARD PACKAGE WILL** come with a license for ProPresenter Scoreboard software.

- **Easy-to-Use Interface** – Designed for volunteers / students
- **Multiple Sports Support** – Quickly change between control interfaces and output for multiple sports
- **Device Control** – Controllable by Industry Standard Scoreboard Controllers, or by the on-screen interface
- **Player Profiles** – Present formatted XML data and images dynamically
- **Ad Tracking** – Export comprehensive reports for ads to provide to sponsors
- **Template Based Layouts** – Easily change the look of the entire output
- **Full or Partial Screen Video Playback** – Dynamically trigger interstitials, such as “Great Play”, etc.
